

Bhuvaneshwaran D

Full stack web Developer

8870063990 | bhuvandhatshinamoorthy@gmail.com | <https://github.com/Bhuvan-66>

PROFESSIONAL SUMMARY:

Enthusiastic Full Stack Developer with hands-on experience in Java, Python, SQL, React.js, and machine learning projects. Strong foundation in Data Structures & Algorithms, database design, and problem solving. Passionate about building scalable web applications, learning modern technologies, and collaborating with teams to deliver high-quality software.

EXPERIENCE:

Full stack developer intern | ibots:

Build 1 production-grade React+ Firebase applications used internally, including a real-time e-commerce vending dashboard.

Internship on Generative AI :

Completed training program on Generative AI, gaining hands-on experience in AI models and applications.

TECHNICAL SKILLS:

Programming Languages: Java | JavaScript | Python | sql

Web Technologies: React.js | HTML | CSS | Node.js

Databases: Mysql | MongoDB

Tools and Platform : Git and Github | vs code | Google Colab

PROJECTS:

Customer Churn Prediction

Tech Stack

Python, Logistic Regression, Pandas, Scikit-learn

- Developed a machine learning model to predict customer churn.
- Performed preprocessing using Label Encoding and StandardScaler.
- Achieved reliable prediction using Logistic Regression.
- Evaluated model performance using confusion matrix and accuracy.

Job Application Tracker | React.js, Node.js, Express.js, MongoDB, JWT

- Developed a full-stack job application management platform with secure JWT-based authentication and role-protected routes.
- Designed RESTful APIs supporting CRUD operations, search, filtering, sorting, pagination, and interview scheduling.
- Built an interactive analytics dashboard with Chart.js to visualize application status and monthly trends.
- Implemented responsive UI with React, Tailwind CSS, dark mode, CSV export, and profile management.

SOFT SKILLS:

Problem Solving | Team Collaboration | Communication | Time Management | Continuous Learning

EDUCATION:

Bachelor of Technology (B.TECH)- Information Technology Government College of Technology, Coimbatore

Expected Graduation: May 2027 | CGPA: 8.44/10

Activities: Rotaract Club Member | [GCT]:

- Developed teamwork, communication, and event coordination skills.
- Collaborated with team members to organize club events
